Carrie Smith founded Kemptville Physiotherapy Centre and has dedicated countless hours to both our incredible community and sport at all levels. Applicants who demonstrate a commitment to better our community and who pursue their goals of becoming physically active will be eligible to receive the grant. We will select two recipients each year (Spring & Fall), each recipient will receive a \$150 grant that will go to registration fees, specific equipment or just the gas to get to the venue! In your own words, please tell us how you support our community and why you love your activity. As long as you meet the criteria, your application will be entered and each winner will be chosen at random. There is no age criteria for the grant.
